

Experienced Press Brake Operator

The Pegasus Profiles Group is a growing steel cutting and fabrication organisation Headquartered in Thetford, whose services include processing steel in its various forms by Flame, Plasma, Waterjet or Laser cutting material to customer's specific instructions. This leads to secondary operations which involve plough grinding, fabricating, forming and welding of specific parts.

Role

Due to continued growth and development we now need an Experienced Press Brake Operator to expand a skilled, busy manufacturing team located at the main works.

This is an active position and some manual handling will be required.

Skills:

- Workshop experience essential
- Experience or in Steel Fabrication
- Ability to read fabrication drawings
- Enthusiasm to work as a team member & ability to work on own initiative

Benefits

This is a full-time position with working hours of Monday to Friday, 8:00am to 4:30pm, 3:30pm on Friday with a half hour for lunch.

- Salary subject to Experience
- 25 days holiday + bank holidays
- Company pension scheme after qualifying period
- Free onsite parking

Apply with a copy CV and letter outlining your suitability for this role.
